

KHUSHI RAWAT

OutSystems Developer | O11 | ODC | Reactive Web | Web & Mobile Applications

Bhopal, India | +91-8269716282 | khushirawat0809@gmail.com | [linkedin.com/in/khushirawat0809](https://www.linkedin.com/in/khushirawat0809)

PROFESSIONAL SUMMARY

OutSystems Developer with 4+ years of experience building secure, scalable web and mobile applications using OutSystems O11 and OutSystems Developer Cloud (ODC) — including Reactive Web, Service Studio, Integration Studio, REST API integration, SQL, and data modeling. Skilled across the full SDLC: requirements analysis, solution design, development, unit and integration testing, UAT support, bug fixing, production support, and Agile/Scrum delivery, with hands-on experience integrating Salesforce APIs and AWS S3.

OutSystems certified in ODC, Reactive Development, and Architecture, with additional certification in Agentic AI. Recognized with Rising Star and Project Champion awards for delivery, code quality, ownership, and performance. Skilled at cross-functional collaboration, code reviews, troubleshooting, application enhancement, and mentoring junior developers.
